Re: FOIA Confidential Treatment Request

Dear Secretary:

By electronic portal submission dated September 29, 2014 and October 2, 2014 and by email dated today, December 8, 2014, on behalf of our client LedgerX LLC (the "Submitter"), we voluntarily provided the information attached as Schedule I (the "Confidential Information") to the Commodity Futures Trading Commission (the "Commission") and staff of the Division of Market Oversight in connection with the Submitter's application for registration as a swap execution facility.

Pursuant to Commission Rule 145.9(d), the Submitter requests confidential treatment of the Confidential Information on the grounds that disclosure of the Confidential Information would constitute a clearly unwarranted invasion of the personal privacy of the individual on whose behalf Submitter has filed the Confidential Information.

Pursuant to Commission Rule 145.9(d)(5), the Submitter requests that confidential treatment of the Confidential Information be maintained until further notice from the Submitter. The Submitter requests that the Commission notify it immediately after receiving any request under the Freedom of Information Act ("FOIA") or any other court order, subpoena or summons for the Confidential Information. The Submitter specifically notes that it does not waive in any manner its rights under Section 8(f) of the Commodity Exchange Act to receive a copy of any subpoena or summons for the Confidential Information prior to the Commission's disclosure of such information pursuant to such subpoena or summons. Finally, the Submitter requests that the Commission notify it in the event that the Commission intends to disclose the Confidential Information to Congress or any federal or state governmental agency or department.

Please contact the undersigned if you have any questions regarding this matter.

Sincerely,

Sarah V. Riddell
